

## COMPETITION INFORMATION

The 2017 Winter program has been compiled to enable a variety of events for consideration by athletes. Little Athletics WA's program can be viewed on their website.

*It is important to note that the 2017 Australian All Schools Cross Country and the Australian Cross Country events will not be held jointly this year.*

### Entry

A special winter registration fee of \$10.00 (April – September) for unregistered athletes is available to be paid on race day to the registrar. Race entry fee is an additional \$15.00 for all competitors.

### WA State Team Selection

The Australian Cross Country and Walks Championship are being held in Wollongong NSW on the 26 & 27 August 2017. Athletes wishing to be selected as representatives of AWA must be registered with AWA and have competed in an AWA State Championship during the 2017 cross country season. Particular weighting will be given to the AWA Long Course State Championship conducted on 2 July 2017 at Perry Lakes. Athletes are invited to submit an expression of interest for the WA State Team to Stephen.S@waathletics.org.au detailing their racing credentials.

The Department of Sports & Recreation offer financial support for regional athletes selected in the State Team by Athletics WA.

School Sports WA is responsible for the selection of school students for individual and team events to compete in Hobart Tasmania between 11 – 14 August 2017.

### Uniforms

Club or AWA uniforms must be worn at State Championship events.
